“ *My whole family loved Aunt Ellen! We would light up when she visited in the summertime with Uncle Bob. My favorite memory is when they would come with their camper and let me sleep in it. Aunt Ellen would make breakfast and the whole experience was fun. I was between 5-8 years old. When I got older, Uncle Bob was a manager at an apartment building, they let me shoot baskets in the basketball court. Her visits are great memories of my childhood.*

Aunt Ellen was a sweetheart. She was soft spoken, loving, and kind. My parents were very close to Aunt Ellen and Uncle Bob. It was with her that my mom would pose for silly (fun) photos. We will miss her dearly.

*Sincerely,
Bob Batora*

“ *After she quit working at Walmart, she would come in to pick up a few things and would always find me and give me a hug. I will miss those moments.*
