“ *Its hard to put into words how much she meant to me (and alot of people), and how amazing and strong she was. I have so many memories of her its hard to choose just one story to share. I am going to share one that is recent and brings out her sense of humor. Every month we would paln our shopping trip, and I say plan because it was a full day of shopping. We would wake up early and drive to our 3 fave stores and spend hours in each of them. At the end of the day we would go home and she would complain for weeks about how much she hated shopping so long, but every month she would be ready to go before I was. :D I know she loved shopping but I think she loved talking about how she hated it more. Thats what was funny about my gma you knew she loved always having someting to talk about even if she "hated it".*

“ *When we Werner kids, she often stood up for us in times of crises. Our Mom would take her anger out on Linda. She always looked out for me and Steve. She loved land cared for her children like crazy.. Always had that wonderful smile on her face. Love you Linda.*

“ Like the moon her love is watching over you. The morning sky is amazing. The dark clouds are in the way. Sheâ€™s starting a new life. Sheâ€™s starting a new way. Walking barefoot on the clouds in her cut off jeans. The dark clouds are clearing with every thought of her. The dark clouds will blow away to make room for her smile. Yes the morning sky is gorgeous.
