“ *I am truly sorry for your loss. I worked with Lloyd for many years at Fisher Body.He was a genius with sheet metal.I was a supervisor for tears, and was unfortunate enough to be on the recieving end of his fist, when one of his co-workers purposly dropped some metal ,behind him.He punched me squarely in the nose,and then laughed untill he almost cryed. He got a kick out of hitting a supervisor, and then laughed about it. When my tears went away, I to laughed. He was truly a great guy. He will be missed. Don Davis*

“Lloyd you will be greatly missed by our family. You and Elsie are more than neighbors, you are family. Who are we going to swap stories about the "Good Ole Days" with. And who do you think is going to mow the lawn up to your standards. We know you are now out of pain, but the pain is now in our hearts. You will be missed.
