“ *This sweet woman was our neighbor for many years. She became a "Second Mom" to my brothers & I. We had the privilege to spent an evening with her & family this last fall. We did a lot of reminiscing & there was lots of laughter! I'm so glad for our visit. Such a wonderful memory, just never thought it would be our last! My sympathy to her family who seem more like brothers & sisters to me!*

“ *I was always at the house or causing trouble with Connie. Aunt Lola was always kind, loving and willing to teach you something new. You were always made to feel welcome in her house. You will be greatly missed.*
