“ *I remember Lori as a sweet little girl and then as a very caring young lady. I remember one time when her Uncle Ted and I came to visit and we had my elderly Mother with us, and Lori was very attentive to her and was right there to help with her. She waited on her for food and was just an overall sweetheart. I will never forget the kindness she showed my Mom that day. I always talked to her when I would see her at Walmart. She will be missed by many! My Sincere Sympathy to all the Family. Claudette Myers*

“ *Lori, it is hard to believe that you are gone. I was looking forward to a lot more long conversations and laughing into the night on the phone. I will miss your laugh, which always reminded me of your mom. You were a beautiful spirit with love for your family and friends. There were a lot of years that went by that we did not talk, but, I am so thankful that we reconnected even if it was for a short time. I love you my beautiful friend. You will be missed.*
