“ Dear Daryl and Greg, The Monroes were sorry to hear of your Mom's passing. She was a wonderful woman who lived a life that truly reflected her faith. I had the privilege of working with her at LAUMC on Christmas bazaars, preparing various meals, decorating the church for the holidays, organizing road rallies, and singing in the alto section of the choir. When I earned my Bachelor's degree from MSU, she presented me with a lovely necklace that I still cherish. In February 2008 when we were at LAUMC for Mike's funeral, your Mom made certain to greet us with warmth and spend time in conversation with us. Her life was a blessing to so many-- we're grateful to have known her. As we sang in choir, "Be still my soul: when change and tears are past, All safe and blessed we shall meet at last."

“ Dear Greg and Daryl, Chris, Dave, Andy, and I were saddened to hear of your Mother's passing. God be with you in the days ahead. I'm grateful to have gotten to know your Mother as we worked together on Christmas bazaars, decorated the church for holidays, and helped out with meals in the church basement. But most of all, I have wonderful memories of singing with her in the alto section of the church choir. Your Mother lived a life that reflected her faith and was a blessing to so many. In the words of the hymn "Be Still, My Soul" that we sang together: Be still, my soul: the hour is hastening on, when we shall be forever with the Lord. When disappointment, grief, and fear are gone, sorrow forgot, love's purest joys restored. Be still, my soul: when change and tears are past, all safe and blessed we shall meet at last.

“ Our friendship began in the 3rd grade at Springport. We enjoyed many of the same things and our friendship remained to this day. We have many good memories of deer hunting, archery, camping and canoeing with Ron and Jim, and Ron & Shirley. We used to get our families together when they were young. Though we lived far apart we continued to have much in common especially a love for our Lord and a belief in the importance in of having a servants heart. We look forward to seeing her again in Heaven as our friendship lives on. Meanwhile she will be missed. Love, Ron & Katie

“ Lorna loved the Lord and loved her church. She helped with youth as a chaperone on the Mackinac Bridge Walk in 2004 and I could not keep up with her on the bridge! She also was a camp counselor at Wesley Woods Jr High camp while in her 70's. It was so sad to see this vibrant woman succumb to the memory and bone loss she suffered the last few years. I know that she is happy and whole again and with Jim and our God in Heaven.

“ Dear Daryl and Greg, Our sympathy goes out to you and your family. Your mom was such a wonderful lady with a loving heart. We both have fond memories of her as we were growing up. She always made me feel welcome and somewhat special when I came over to play on the fun play ground gym your dad built in the back yard. I think she enjoyed having a little girl around and was always sure to tell you boys to " be careful around Angie". Greg has great memories of her, when she would host cub scout meetings, she had a way with all of us boys! It's almost like she was a permanent fixture at LAUMC. When ever we would walk in she would be there to say "Welcome it's so nice to see you". We always enjoyed visiting with her and seeing her up front either singing or playing bells. Again our deepest sympathy to all of you. With all our love, Greg and Angie Parker

“ Lorna was active in Lawrence Ave United Methodist Church in many ways but one of her lasting legacies is the annual Work Camp Trip. Every year she helped organize a trip for members of the church to travel to other states to help make someone else's life better. They worked on vaious construction projects like rehabing homes for people who could not afford to do it themselves. The annual Work Camp project continues to this day. As we leave for this year's trip, we'll remember Lorna was one of the people who made it possible.

“ Lorna has been a blessed soul. The obituary does not mention any of the many things she was involved in. To start Lorna was a member of Kiwanis Club where I know she worked heartlessly making dolls for children at the Shriners hospital so doctors could explain procedures to children. She served many sloppy joes at several celebrations in Charlotte from the Kiwani's food wagon. Lorna was a painter and I received many of her painted items as Christmas presents. She made beautiful necklaces which she and others wore proudly. Themes on the necklaces included holidays, lighthouses, children and more. She proudly dedicated her life to many years of service at Lawrence Ave. United Methodist Church. In those years of service, she decorated the church at Christmas, bought the first large Christmas tree, made banners for church seasons, worked at many work camps-traveling different places, bazaars, and church dinners. She helped keep the church in great condition by serving on the Trustee's committee and worked tirelessly painting and cleaning. Lorna loved the church and the Lord. She served as a mentor at Washington School through the Kids Hope USA program. She included her grand kids in many church activities and served as a youth leader along with her husband several years ago. She sang in the choir for years and also played in the bell choir. She was a part of the Debra circle and the UMW. I know I am only touching on a few things Lorna did. She was a woman with lots of energy and used her time serving others in many ways. I am happy that she will be dancing in heaven and no longer suffering from Alzheimer's disease. We all love you Lorna and you have been greatly missed but we thank you for all your years of service at the Lawrence Ave. Methodist Church.
