“ Hi, I was so sorry to hear about Lyle passing away. He used to come to our genealogy room and donated several books of genealogy on the French Family. Anytime any of you wish to look at them, they are available. Also, I knew Lyle through my button collecting. The last time I saw him was at a Vermontville Historic meeting where I did the program on buttons. I knew he didn't feel good back then. Again, my condolences to your family. Mary Jean

“ Hello I would like to express my sympathy to your family by leaving a scripture from the bible. Revelation 21:4 says "God will wipe out every tear from their eyes and death will be no more neither will mourning nor outcry nor pain be anymore the former things have passed away." I hope this brings some comfort to your family. Sorry for your loss.
