“ So sorry to hear of his passing, I remember so many huge family gatherings at Thanksgiving, either at the home of his parents or at my Grandmother Anna's home.
Prayers for all of you.

“ I lived next door to the family, I was 9 years old when Lynn was born, Dale was, a good friend. Our families were always doing something with the kids on that North West McClure block. I believe was Lynn that bought our home after our parents passed. Lots of fond memories of all those kids. Our prayers for comfort and guidance in the days to come.

“ So sorry to hear of Lynn's passing. I will never forget when he gave a tour of his work site to a German and Hungarian friend of our son's. The boys also wanted to eat spicy food so we went where they could order extra spice. Lots of good laughs were had by all, especially Carol and Lynn that night. God Bless them.

“ *Our office was saddened by this announcement. Lynn and his beautiful bride Carol were such a pleasure to have as patients in our dental office. They always had blueberry picking stories in August and shared their plunder with us. Lynn gave me a drill bit for my Dremel and would always laughingly check my fingers to make sure I still had them all when he came in. The sadness of his passing is only lessened by knowing that he and Carol are once again inseparable and holding hands. We are grateful for the fond memories we have of them both.*
