“ *The last actual conversation I had with "Nonny" was the reaction to the news her great-great grandson will be arriving in early August! She was so excited. I could hear the joy in her voice! She kicked off true excitement for motherhood for me with that famous "Nonny" spirit to not be scared and to enjoy all the happiness! Im so grateful for this memory that will for ever be in my mind and heart. I know my lil one will have a guardian angel watching over him with a beer in hand, this makes my heart so happy! I have only happy tears with a heart full of love and happy memories for such an amazing woman!*
