“ Art, it's been almost a year since your mother passed. There are many dates that you will remember about her and this one will be among the sadder times. But there are many more of happy times and fond memories. You will see your mother in the sunbeams, the spring flowers and in your granddaughter's eyes. Cherish those.

“ Art and Family, Sorry to hear of your Mother's passing. While I don't know your specific circumstances I know that sometimes passing is the ultimate healing for a person. Our God has promised great things in eternity should we choose and I'm sure your mother is enjoying those things right now. I will certainly have you in my prayers in the coming days. Respectfully, Arvid
