“ *Wow, this is hard. The first time I met Evelyn, about 7 years ago, she made me feel special, like we had known each other a long time. So warm and friendly and caring! She always had a smile and she always greeted me with a hug! She was a very special lady and I will miss her very much! I know she is with her Lord and Saviour Rejoicing with Him. I know she wouldn't want her family and friends to be sad but it's hard not to be. Rest In Peace, my friend. I will see your wonderful smile, hear your infectious "giggle" and will feel one of your special hugs again one day! I Love You.*

“ I don't know what to say...just that evelyn was always there and always had a smile for everyone and a hug to go along with it! No matter the situation she seemed to always be happy. She and I had formed a bond and I called her "gma" I sure am gonna miss her hugs and most of all her infectious laughter....we had so many good times where we would giggle and laugh over the silliest things...I love you evelyn!

“ I don't know that I have any particular story about Evelyn. But I do want to say that she is one of the nicest ladies I've ever known. She was always smiling and enjoyed life in a way that we all should. I will miss her.

“ From the first time I met Evelyn, I felt like I was part of her family. It was at her home and she hosted a baby shower for me and my newborn, Jamison (who turned 8 today). She will be dearly missed and we are praying for all of you in Michigan. May you find comfort in your heavenly father's arms. These tears are for those who are left behind.
