“ I've known Margaret all my life and she was one of the West Benton ladies to be a positive role model for me. I was invited many times to their home to spend time with Sue and stay to eat. I remember when they lived in the basement and we had spaghetti with canned tomato sauce. She always seemed to be happy and glad to help with the church suppers. I had the pleasure a few years ago when she was visiting Michigan to spend a few hours talking, laughing and reminiscing. I am blessed to have known her. My prayers to all the family for comfort and peace.
