“ Who knew that it would hit home... This man, I tell you what... he was absolutely the warmest soul I have ever met. We didn't get much time to know him, life just got away.. I am so beyond thankful to have the chance of having him apart of our family. We all joined up at the beach at lake michigan, we tried doing the human table, lol it was such a bust but was fun! Or the day on Christmas when he won my acceptance to be and fight for my sister. He poured himself out and I grew the up most respect for him. He was absolutely amazing!!!
