“*Mary was a friend and neighbor and will be greatly missed. We shared the love of animals and she was devoted to her pets and loved them deeply. She made the best macaroni and potato salad which she shared with my son and myself. I will continue to feed the birds to honor her love of animals and take care of her tomato and pepper plants. I will miss our morning chats and her wonderful smile. Be at peace Ms Mary...*

“*My Condolences to the Family. Mary was a good friend to me. We worked together at Meijer. Every morning while I still worked there, we talked and helped each other through good and bad times, that we shared with each other. I will miss seeing and talking with Mary, she was a true Friend.
