Tribute Wall

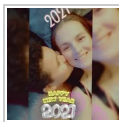

“ I'll never forget your laugh, personality, or the love you had for everyone. I'm sorry I was a trouble child. I know I kept you on your toes. But I've also got so many memories and lessons out of my silly behaviors. Everytime I made you mad I learned something new 🙄. I will never forget you. My favorite memory would be when you came home from work and came in my room to laugh with me. You had a contagious laugh! Or when you would blow on my neck and make that silly farther noise before I went to bed. I love you mom! You may be gone but I'll never forget you! You were one outstanding women and my hero for sure!!!!
