“ So sorry to hear about Mary's passing. When she worked at Potterville High School as a secretary, I worked there as a teacher and grew to know her well. Then over the years as I had each of her children and some of her grandchildren in school. Our paths would periodically cross and she would update me on who in the family was doing what. Her warmth and sincerity endeared her to everyone. She was one of those people who helped make my experience at Potterville special.
