“ Your mother was a very special person. She always had this warm smile that made you feel good every time you would see her. She touched me in many ways in my life. As the mother of a best friend who would always keep me posted on how you were doing Milan. I also remember how she helped us by working at the Munger Hardware and how good she made everyone feel who was helped by her. She was a blessing for all of us and will be missed but never forgotten. My thoughts and prayers are with you in not only in your loss but our loss. Rick Munger
