For awhile she was a special neighbor to my mom and dad, Ron and Bonnie Johnson and we had the honor of getting to know her and her husband Bob. Then reconnected through, Angie and her family. “ Jim, Karen & Bill. Sadden my heart to read of the passing of your mom and friend to many , including myself. I was glad that I took the time to visit her a few years back. We had a great time talking and reminiscing about when we lived in the same neighborhood. The three of you were so fortunate to have had a mother and father that cared about and loved you the way they did. A footnote : Grace and I will be back in Mi. late Aug. for my 50th class reunion on Sat. and will be attending the all class reunion on Sunday, would be great to see the three of you if possible at the Sunday event. Love and condolences Bill

“ I'm so sorry that I hadn't visited your Mom as much as I would have liked, but with the way my health has been lately I was in any shape to go visiting or even calling. But now that I have had my surg. am feeling much better. I just told Ken last week I was going to go see your Mom this week. But I guess that is what happens when things are put off for too long.
