“ Dear Genevive,
Merlin was my mom's cousin, in fact the stories my mom would tell me about the two of them were all full of good times. As you know, the Millers were not a large family but I only have good memories of each of them, including visits to Harold and Hilda's farm on Miller Highway. It was always like the painting from Norman Rockwell and held tons of mini stories I treasure today. I am ashamed to admit I did not keep in touch with Merlin. Probably before his new marriage I had called First Baptist to learn where he lived and then never followed through. Not to make excuses but I developed some health issues. I am so glad to learn his last time on Earth were not spent alone.
With great sympathy and sincerity, Martha Lusch Andriekus (my mom was Marjora Miller Lusch, only child of Howard and Opal Miller, Merlin's uncle and aunt)

“ I came into your 66 years ago when you were a best friend of my father, Harvey George Gray. Both of your names are on the monument in Olivet as joining the service together. As a child, I stayed with you and your parents on a regular basis. You were like my big brother more than anyone else. We have always stayed in touch through the years. I just wish your uncles and cousins on your dad's side were still around as I have your family Bible and pictures. I will miss you always.....
