

Michael Patrick McKeon

October 28, 1956 - November 21, 2021

Michael McKeon, 65, of Bellevue, was a master carpenter. He was born to Joseph and Marie (Anderson) McKeon on October 28, 1956. In 1993 he married the love of his life, Lynn Granger. As a Construction Superintendent for Clark Construction he was proud of the buildings he helped construct these included; the Michigan State Police Forensic Lab, Ferris State University's Optometry Building, Sparrow Hospital and building for Kellogg's to name just a few. His years of service with the company earned him many Service Awards. As a craftsman and woodworker he creative numerous items and furniture pieces. One example of his talent was spotting trees that had knots and other interesting features that he carved into exquisite lamps. His friends will remember him as a bold character who spoke his mind and said what he thought. A lover of pulling practical jokes on others he however didn't take kindly to the jokes coming back to him. Michael, who would do anything for others, often considered his close friends to be more like brothers. Among his quiet hobbies were mushrooming, hunting and fishing in northern Michigan with family and friends.

Michael is survived by his wife, Lynn Granger; children, Nicole Lira, Jennifer McKeon; brother, Harvey (Tami) Bates; sister, Nancy (Ron) Feher; brother-in-law, Bill Dixon, sister-in-law's, Sue (Gerry Osborn) Granger, Charlene (Greg) Sleight; step-sister's and brother's, Laura Granger, Julie O'Donnell, Catherine Granger-Daly, Edward Granger and James Granger and mother-in-law,

Doloris Groh and numerous grandchildren, great-grandchildren, nieces and nephews. He was predeceased in death by his parents, his son Michael McKeon; sister, Pam Dixon; and sister-in-law's, Amy Granger and Nancy Granger.

Friends and family are encouraged to support Michaels's family by sharing memories on his Tribute Page at www.PrayFuneral.com. Memorial service will take place in the Spring of 2022. Memorial contributions are suggested to Eaton Community Palliative Care and to The Capital Area Humane Society. The family is in the care of Pray Funeral Home.

“ First got to work with Mike on the Hardtech Stamping Plant in Mason. Had little to no experience doing gang form walls at the time. Forever grateful to Mike for still giving me a shot out there. Went on to work for him on two back to back State Prisons after that and was able to learn so much. Between working on some of the biggest projects Clark had built at the time to listening to him and Jeff tell some of their stories in the B&I the memories and good times are too numerous to list. RIP Spike.

“ Grief can be so hard, but our memories help us cope. I have so many fond memories of Mike in our early years.. I have always looked at him as a brother. Although I already had two brothers, running interference, it was an honor to consider him one of the pack. Remembering you and your loved ones today and always. Love you bunches...until we meet again.

“ I have many fond memories from my childhood of spending time with Lynn and “Mister”. Mushrooming and playing marbles were some of the best. Rest In Peace, Mister.
All my love to you, Lynn.

“ Aw man Mike, Ed and I have so many great memories...from B&I days, Ed recalls playing golf on the video game with you and Jeff and whoever else would crowd around, we will both always be grateful for all the great times you and Lynn hosted get togethers and made sure we all had too much to eat, afternoons on that ole pontoon, and a few memorable evenings as well. My girls remember how we were all blindfolded enroute to your secret mushroom hunting location, but remember more vividly the satisfaction of gathering those morels, and spotting owls in the treetops surrounding the little cabin on that property. My favorite memory of all will always be the theme song from Bonanza. You worked so hard, and the years took a toll. You deserve to rest now. We will all look out for Lynn. Our love goes with you!
