

Michael Leo Robles

October 4, 1950 - July 24, 2019

Michael Leo Robles, well known in the city of Charlotte as the guy who loved to talk to everyone who walked by, died unexpectedly July 24, 2019. Robles, 68, of Charlotte was born October 4, 1950 and was adopted at the age of 9 by Leo and Iris "June" (Langley) Robles. A guy who devoted his life to others, he was often found helping local businesses with little projects. Over the years, he held several jobs, making lots of friends along the way at Oldsmobile, Johnson Iron, and Northern Concrete. He loved playing the lottery, NFL pick-em challenges, coloring, drawing, reading, collecting family photos, and bragging about his children and grandchildren. He had the best "Tarzan Yell" and an unforgettable laugh.

Robles is survived by his children, Jennifer (Chris) Robles, Michelle Henry, and Antonia (Joseph) Challender; 10 grandchildren - Cody, Kayla, Mason, Rose, Grace, Alexis, Rachel, Athena, Adara, and JD; 6 great-grandchildren (and 1 more on the way); mother, June Robles; sisters, Gigi (Duane) Reid, Fran Knot (Gil), Lori Darling, and Connie (Danny) Garcia; many nieces and nephews; and ex-wife Kathy Hubbard. He was preceded in death by his son, Billy McKeachie; and his father, Leo.

Friends are encouraged to support Robles' family at visitation and funeral services. Funeral services are Sunday, July 28, 4:00 PM at Pray Funeral Home. Visitation is prior to the service from 1-4:00 PM on Sunday. If desired,

“ On behalf of the Class of 70 from Maple Valley, I would like to share our condolences. When I shared the information about Mike's death, there were many who replied with comments about his friendliness, Tarzan yell, laughter, and his willingness to try anything once. There were two of us who came to the Valley in our 8th grade year and our fondest memories were of Mike and his willingness to reach out to us and make us feel welcome. He truly was one of a kind and his smile and generous heart will be missed by all who knew him. May God bless Mike and his family and give them all peace. He was and is loved. Teri Goris Belcher

“ I had the pleasure of knowing this unique and amazing guy since I was a young child. Back when he lived in Potterville you could hear his Tarzan yell all the way to our house on any given night. He was one of a kind, he even brought me home once when my dad forget me at the store. I have so many fond memories of him and his larger than life personality. I'm so very sorry for your loss, he was a very special spirit in this world and he will truly be missed by so many.

“ *What an amazing friend and man. This town will not be the same without Mr Robles. I always enjoyed his smile, his outgoing personality and his kindness. I lived across from him for over a year. I will never forget the time he knocked on my door and asked for two pieces of bread. I handed it to him, he was so thankful and I went about my day. The next day he knocks on my door, smiling says, “thanks for the bread, I got you a hamburger as a thank you.” How he knew I had not eaten, I had no idea. Always, giving, kind, welcoming and thankful. Thankful beyond words and appreciative of every relationship he had.*

To the family, I am so sport for your loss, my thoughts and prayers are with you. Micheal Robles, you will never be forgotten ❤️

“ I have had the honor and privilege of knowing Robles for well over 35 years...I own Jerry's barber shop right across the road of where he lived....I could always count on Robles to stop over every day and just shoot the “bull” or have him run to the bank and get me change or our little “arguments” about sports especially the Tigers if they lost they were automatically my favorite team but if they were winning they were automatically his favorite team....Oh the stories and memories I could share about Robles but my fingers would cramp up from all the typing...He was honest as the day was long and I always joked if I gave him \$100 dollars he would probably give me back \$110....He loved his “dog gone” girls and all of his grandkids and would always joke that he was going to heaven automatically for having nothing but girls...Busch beer...lottery tickets and betting on a big game was always his joys of life...I'll miss you Robles Charlotte will never ever be the same without you...you definitely were one of a kind...and in your words “a character”....RIP my friend enjoy a little “smoke” and a Busch beer or two and don't forget the three digit lottery 220....
