

Michael Troy Webb

February 12, 1961 - April 9, 2018

Michael "Mike" Troy Webb, a friend of many with an unforgettable laugh, died unexpectedly on April 9, 2018 in Charlotte at the age of 57. Mike was born on February 12, 1961 in Missouri to Troy and Barbara (Yelland) Webb. His family later moved to Texas, then settled in Charlotte, Michigan, where he lived most of his life. He was employed by Linn Products as an extrusion operator, and previously worked for Ryder Logistics in maintenance where he was known at the "go-to" guy. Mike was always picking on his family and friends. He loved to be the center of attention, and was known for having a heart as big as Texas.

Mike was always going, unstoppable in spite of his health, and he never let anything keep him down. He loved camping and boating, and was a fan of Tigers baseball, boxing, and the Dallas Cowboys football team. He was very proud of becoming sober and maintaining that for many years. Mike would do anything for his family and will be truly missed by them.

Mike is survived by his son, Michael Troy Webb, Jr.; step-daughter, Candy Doty-Miglio; mother, Barbara Zeis; sisters, Kim (Al) Erskin, Benita (Marvin) Teaney; girlfriend, Debbie Brown; nieces Jamie O'Dell, Angela Courtney, and Ashley Voigt; nephews, Shaun Carter, Cody Erskin, and Tyler Erskin; as well as many great nieces and nephews. He was predeceased by his father, Troy Webb; and step-daughter, Heavenly Ann Doty.

Friends of Mike are encouraged to show their support for his family at visitation on Friday, April 13, 6-8:00 p.m. at Pray Funeral Home in Charlotte. Friends and family are also encouraged to share memories of Mike on his Tribute Page at www.PrayFuneral.com. The family is in the care of Pray Funeral Home, Charlotte.

“ *I knew Mike from work. He was always so friendly and willing to give a helping hand when needed. Mike and I shared rides to and from work when one of us would have a vehicle problem and he shared some funny stories and great conversations. You will be missed Mike. I will remember you often and will always call you my friend.*

“ I had the pleasure of meeting Mike last year. He was one of the first people I worked with at Aerotek as a recruiter. I enjoyed meeting Mike for coffees in downtown Charlotte as we discussed his career goals and learning about him and his life. We would laugh and share stories as we got to know each other.

I remember his strong handshake and friendly demeanor. You could tell he was a strong and hard working man, someone you could immediately respect as a young man. I was very happy to have met him. I didn't know him for long but I won't forget him and the impression he made on me.

Rest well my friend until we meet again,

Nick

“ I will always remember his sarcastic personality(I get that from him by the way) he was one of the few people that made me smile every day no matter how bad of a day I was having he was always there to pick me up when I was feeling blue... I love you uncle Mike. You will forever be in my heart.

“ *Having a kid brother has its ups and downs see he was a hellian even at 5. Grandma bought us bike's for Christmas and by spring he was riding mine banana seat and those funny looking handlebars they made way back then. We had a neighbor that had a hill and we would spend hours rolling down it. Mike you were a great little brother and I will always miss and love you.*
