That was a beautiful service. Thank you for sharing so many memories. The book, poem, balloons were truly lovely. Laurie

“ *I feel so blessed to have had Mickie in my home for the many years that I did. Listening to everyone brought back many memories that I have of her. I would take her camping with me and she would love sitting on the beach listening to the waves of Lake Superior.*

“ Our sincerest condolences to Mickie's family, friends and loved ones. Although we never met Mickie, we have felt her spirit and appreciate the joy she found in the simplicities of life - like popcorn, Chinese food and balloons.

This is a beautiful lesson for all of us.

We will always think of Mickie now when we see balloons. May her memory be a blessing.

“ Mickie's gusto, her appreciation of the small pleasures life offers--balloons, favorite foods, shopping--were wonderful to see and a lesson to all. The spirit within her amazed us and, I think, confounded her doctors. We love you, Mickie, and are grateful for the time we've had with you. You will be missed, Aunt Mary Jo and Uncle Greg

“ *I am honored to have worked with Mickie and supported her in the last few months. The smile she shined so bright every time I visited is one I will cherish for years to come. Mickie always found the good and the wonder in all things and never strayed from it, always sharing what made her happy. Mickie and I shared a bond over jell-o, she only wanted her Jell-o from me in recent months. Susan shared she had special things with specific people. I guess ours was enjoying a cup of Jell-o. Ms. Mickie will be missed greatly.*

“ It's sad to lose Mickie, my neice. She was such a trooper and fighter. Fitting that she passed on Easter Sunday morning. She was always fun at family get togethers. Mine and Nancy's condolences to her family and friends.

“ I feel so blessed to have had the opportunity to be a part of Mickie's life, even if it was a short period of time. Whenever I would come into the home, I could hear Ms. Mickie shouting (as loud as she could) ABBA, then run up to me and hug me SO tightly and for so long, I would have to remind her to let go. She will definitely be missed and will forever be in my heart.

“ One of Mickie's greatest pleasures was seeing me get in trouble when we were kids. She loved it. I can picture her behind my mom chuckling/laughing about it. Feels like this happened alot. We definitely had some fun as kids. She had such a dramatic impact on my life growing up in so many ways, she will always be apart of me and in my heart.
