“ My sincere condolences go out to all of you. For several years you were all a big part of my life. I was blessed to be able to call Sue and Wade my friends and honored to take care of there beautiful girls while they were at work. Throughout the years I have often thought of all of you ,and asked the Lord to watch over you all and keep you. Now he has taken Sue home I can see her beautiful smile as the Lord greats her. May God Bless you all and help you through this sad yet joyous time in your life. I am so happy for her as well as my heart breaks for all of you in your loss. Sincerely Debbie Sutton (Parsons)

“ My mom my best friend and confidant. My most Memorable, but small event keeps replaying in my mind. When I was 3 or 4 years old, I used to look at her beautiful face in the sunlight to look for wrinkles. I was afraid she was going to look like great grandma, and it worried me so that my mommy bought and used ponds cold cream every night of her beautiful life. She went home to be with the Lord, just as wrinkle free as the days I used to study her face. She never wanted me to be frightened of my own moms aging. Plus she was still a knock out for Dad too. That was a plus. I'll miss Until We will meet again in Paradise. There's a party going on in Heaven just for her. Another love of Gods life has entered Heaven.
