

Nicholas Scott Woodman

June 28, 1981 - October 16, 2019

Nicholas Scott Woodman (Pistol Nick), 38 of Potterville, a very talented artist, died unexpectedly October 16, 2019 at his home. Nick was born June 28, 1981 in Bradenton, Florida to Richard and Elaine (Willis) Woodman. Using many different avenues for his artistic talent, Nick made beautiful art and then gave the pieces away to friends and family. He had an equally artistic and creative friend in Eaton Rapids, and they enjoyed trying to "outdo" each other with their imaginative creations. He was a stay-at-home dad, taking care of his son, Alex, and other children as well on occasion with lots of fun activities and great stories to keep them entertained. "Pistol Nick" was an awesome friend who would go out of his way to make others happy. Nick and his wife, Michelle, loved to go on walks with their son and to go out to eat.

Nick is survived by his wife, Michelle; son, Alexander; his dad, Richard Woodman; twin sister, Dee Denio; siblings, Trina (Chris) Pope, Rick (Sommer) Woodman, and Angee McManus; sister-in-law, Mary (Vincent) Smith; and many nieces and nephews; and artistic friend and bro, Brandon Beckett. He was predeceased by his mom, Elaine Woodman; and grandmothers, Cleo Willis and Betty Adkins.

Friends are encouraged to support Nick's family at visitation and funeral services, and by bringing for display any art pieces that Nick may have given to you to show his amazing talent. Funeral services are Monday, October 21,

12:00 Noon at Pray Funeral Home in Charlotte. Visitation is one hour prior to the service, 11:00 AM to 12:00 Noon. If desired, memorial contributions are suggested to the family. Friends and family are asked to share memories of Nick on his Tribute Page at www.PrayFuneral.com. The family is in the care of Pray Funeral Home, Charlotte.

“ Nick did a beautiful exemplary piece of art for my mom while she was in hospice which shows his compassion & generosity. Nick was a childhood friend that became a member of the family by marriage to my Aunt which was weird because we were so close in age... me and Michelle so close & Nick was my age... Uncle so weird ... we used to have arm wrestling competitions as kids Nick always went "Over the Top"...great movie All i can say is I love you Uncle Nick - Aunt Michelle & Alex. I know this time is hard but know in tragedy comes clarity. Your all well loved and no matter where time or life brings us we are family... a unit. you cant always see stars but they are there shining bright.

“ I always enjoyed when Nick brought one of his new pieces of art to show me. He took great pride in his work. I loved it when he would do chalk art on the sidewalks. My favorite was the Simpson family. He will be missed. Michelle and Alex if you need anything you know where to find me.

“ *Nick was a verry kind , formal , creative , and passionate man with a big heart who cared alot about his friends and family , i remember the first time i met him , i wasn't sure if somone that much older could relate to somone like me and i was surprised at how many things we had in common , from taking an intrest in art and loving Nintendo to being left handed and enjoy fishing , he was like a brother to me , it's really hard to come to terms with him not being around , from the way he would say " thats what she said" to the way he'd laugh after saying it , you will be dearly missed my Awesome friend , never forgotten ,you will allways live on in our hearts.*
