“Wow, where to start....it was a great day, I had just got my new car and we went over to show Ona Mae, Renee and Darrell. Ona came out and just loved the car, asked if she could get in and I responded "well of course" and then she got out of the front and into the back and with a smile on her face she asked D and Na if they thought they all needed one. We all laughed!!!! Three days later.....she had one and it is as beautiful as she is. D and Na...ma was an amazing woman and very inspiring...she is why we hope, love and smile. Thank you for taking such good care of her...we love all of you!!!!
