“ *Your family has our deep-felt sympathies. Bill will definitely be missed. We are the Carrigan's from Minnesota that have stopped by to visit with Bill and even had dinner with the whole family way back when. We were in Michigan two years ago for Virginia's brother's 50th at Grand Ledge and drove down to see Bill and had a very nice visit for a couple hours. We enjoyed his stories and would liked to have had more visits if we only lived close by.*
