

## Patty Cunningham

October 31, 1963 - September 22, 2018

Patricia Cunningham, 54, a nurse, loving mother and wife, and local artist, passed away on the first day of fall which was her favorite season. Patty shared her enthusiasm for life with others willingly, loved to travel and learn about the different historical and cultural features of those places she traveled. A trip to Ireland was a highlight, and she loved visiting to where the girls were. Her family welcomed exchange students from Belgium and France, and was known to have a full house with activities and fun, and treated visitors as though they were family. She loved to cook, and had many specialties, but beef bourguignon and cheesecake were the stand-out favorites.

Patricia Ann Cunningham was born in Garden City, MI to Donald and Anna (Maki) Lemke on October 31, 1963 and passed away on September 22, 2018. She has been sharing her nursing and caring skills at Ingham County Medical and Rehabilitation Care Facility and took pride in her employment there. Patty is survived by her husband, Richard Cunningham; daughters, Brenna Brady, and Hillary Brady; and her father. She is predeceased by her mother, Anna Lemke.
