“ Send love and sympathy to Mike and Mari and all Pat's family and friends. Pat was such a wonderful influence on both my boys as they grew up. We always looked forward to them bringing their trailer to our house when they did local craft shows. So many long talks and much laughter were always had when she and Cleo were around. I am happy she is finally back with her man, and out of pain. Miss you Pat, but so glad you are in a better place.
