“ I enjoyed working with her, always good to talk with, but mainly the daily word game, always put some thought into the work day mix.

“ Twin, Heartbreaking! But I know You are no longer in pain and worried about life's problems. Picking up the phone and not being able to hear your voice is just wrong I'm so very grateful that I was able to talk with you Monday night, we laughed and shared special times and talked about new road trips we would have to take when I returned. I am so Blessed to have known you. Our Loss....God's Gain! May you rest in eternal Peace. Sending you Hugs all the way up to Heaven.
