“ Had the pleasure working with Pete at the Jackson MDC for a few years.
Pete was such a kidder and had a joke at the drop of a hat LOL
He was very dependable and a hard worker.
I remember when Pete said he was getting married. Didn't think he could be been happier until he had his 2 kids. Having a family meant the world to him.
Can't say how sorry I am to hear of his passing and to the family I'm very sorry for your loss.
Pete was a one of a kind and he will be missed for sure.
Prayers to his family and friends.

“ I work at Consumers Energy in Lansing and had the pleasure of meeting Pete several years ago, as he was our Head Store Keeper. Pete spoke so highly of his family, his love for his kids, passion for cars and anything he and his son could buy and work on together to make go faster. Pete had the gift to gab :) and I am honored he shared so many stories about his life with many of us in Lansing. He is one of a kind. Fly high Pete.

“ I lived next door to his rental house for years. He would be working in the yard. When my first husband passed he came running over to help. His kindness has never been forgotten I am so sorry for your loss. My thoughts are with you at this sad time.

UNSPEAKABLE SORROW!! (here) We used to sneak into, The Electric Park Ballroom in Waterloo, Iowa, by helping the P K Q haul-in and help set-up there equipment. And then just 'happen' to hang-out in the back, while OTHERS were paying there \$1.50 to come into the front door! To US, P K Q was our Beatles!!! They were thee BEST, second to NONE! Didn't know Pete too well PERSONALLY, but he was ALWAYS kind and helpful to us!!! Thank you Pete, and we believe you are "Walkin' Proud" in the great beyond. My BEST to Pete's family and friends. Love you Pete! It's NOT 'goodbye,' just, 'see you later!!!' Love, Dr. Edward L. Rohlf III, Ph.D., Gloversville, New York May 07, 2024.
