

Phyllis Ann Binkowski

August 19, 1934 - March 17, 2017

Phyllis Binkowski, 82, of Charlotte, died March 17, 2017. She was born August 19, 1934 in Lansing to Wendell and Martha (Getter) Walter. On May 29, 1955 she married Paul Binkowski at West Benton Church, and together they raised three children. She was an active member at Charlotte VFW Auxiliary Post 2406, and loved helping cook their Swiss steak dinners. Together with her husband Paul they ran the Bingo VFW Bingo for several years. Phyllis was also a very talented woodworker, making many beautiful pieces of furniture for her family.

Phyllis is survived by her daughters, Cathy Bennett, Cindy Hiser, and Paula Gielecki; grandchildren Shawn (Josh) Hose, Rachelle Hiser, Brandon Truax, and Jeremy Truax; great grandchildren Aleksander, Maddianna and Ethan; siblings Marion Heisler, Joan (Clarence) Wheeler, Janice Kidd, and Wayne (Joyce) Walter. “ *What a good neighbor Phyllis was. She will be missed. She always called to me as I walked my dog by her house. Sometimes she would invite us to come try her homemade candy. Yum! My thoughts are with the family at this time of loss.*

“ *The good lord only takes the best...She really was the best. Phyllis wasn't my Grandma by blood but I thought of her as my grandma. I looked up to her and she opened my eyes on life. Phyllis has given me great advice and she taught me new things. I will always remember her smile and her laugh. She could always brighten anybody's day. I am thankful that I was able to meet her and spend time with her. She had some much love to give there will always be a special place in my heart for her. This isn't goodbye for good, so go rest high Phyllis...Can not wait till I get to see you again.*

“ I will always remember my Aunt Phyllis as a very strong and caring person. When I was able to spend time with her we would have a great time playing cards, eating her homemade baked goods and cookies, laughing and having really good talks. She was there for me when I reconnected with my biological father after very many years of not having any connection with each other right there at her house. I have always thought of my Aunt Phyllis as a pioneer woman...she was hard-working, always canning, baking, building and fixing things, working in the yard, hunting, taking care of others. She had an amazing soul and fun loving spirit that I will miss so much.

On my last visit with her, I remember that there was a woodchuck in her backyard. She came in and got her rifle, aimed it out the back window, and shot it down. I recall smiling and thinking "That's my Aunt Phyllis, she is so awesome!"

My prayers are with Kathy, Cindy and Paula, her grandkids and great grandkids, and the rest of the family. May you all be comforted in knowing what a wonderful person Aunt Phyllis was and how many hearts she touched in her life. I hope you all feel surrounded with much love.

Our family is keeping your family in our thoughts and prayers.

“ *Thinking of you all in the loss of our sweet friend Phyllis. She loved you all to the moon and boy was it fun watching her lovingly care for Ethan evenings when we would play RummyCube. She always offered delicious cookies and candy and my favorite, pickled beets. She never slowed down, even though she struggled with breathing, there she was out working in her yard and garden. She could build or fix anything! Amazing soul whom we shall miss. Her memories went back a lifetime and she forgot nothing. I wish I would have spent more time with her this winter for sure... Love and prayers to all her family.*
