“ I remember Phyllis' smile and laugh the most. She always seemed like such a happy person. I would go to Feldpausch's with my mother and it would take some time since she and my mother would chat away. I know her family will miss her, but have many fond memories of her enthusiasm for life. *Tricia Guenther Reed*

“ I remember Phyllis & Merle at Mom & Dads. (Jay & Irene Smith) for the card club. Donna and I had to go to bed, but we could hear the laughter downstairs.

“ I just remember the little giggle she'd give, with a smile... I remember the way she'd hold your hand when saying good-bye... and, a kids on the cheek. I'm so grateful for her 99 years on earth and that my kids were able to meet her! One wonderful memory was when my kids visited her in Florida, before we headed on a cruise. My kids were 2, 4, and 5. We were at her home Christmas Eve.... she made sure Santa was able to visit and leave gifts for my kids!
