“ I got to know Ralph through Scott. His kindness and willingness to be involved in what we were doing was great. I remember him driving us to the Pontiac Silverdome to watch the Supercross. We had a ball. He was quite handy as he seemed to always be remodeling something or building something l8e a truck camper with Scott. He always had a kind word for me. He didn't just treat me as one of Scott's friends, he treated me as a friend. I will miss my friend Ralph. I think of him often and it always puts a smile on my face.

Scott and Irene, I am so sorry for your loss.

“ I grew up being buddies with Scott.
We did a lot of things together Including Boating and a couple trips to M.I.S. Along with going to the Sand Dunes.

I remember Ralph having a nice Beer Can Collection in their Basement.

And a Nice Model Railroad Track set-up in the Basement.

Couldn't ask for better neighbors in the 'ole eaton Sub-division.

I'll be praying for Scott, Irene & Family.

Always love Irene's German Sauerkraut !!
