“ *I got into Pray's website to look at someone obit when I saw Rand's listing. I am sorry to hear of his loss. Randy and I grew up together, played a lot of backyard football and he was hit hard. He was a good friend and a great guy.*

“ I haven't seen Randy much over the last several years but I wanted to make sure I wrote something about him as I am greatly saddened by his passing. Randy and I were a part of a couple of Charlotte High School Track Relay Records and I always got a kick out of him. He had a great sense of humor and was a really good guy. So sorry to hear of his passing. I hope you're running relays in Heaven Randy. Love you my friend, Kirk Sherman

“ Your heart was huge - you always wanted everyone to be happy.
You would make it your goal to make sure that everyone felt loved;
that we were smiling or laughing out loud. I have so many wonderful
memories of you. Your impromptu impressions, very quick wit, and
your love of music - in making it and using your keen senses to
make sure it always sounded its best - all of these things and so
many more made you the younique and wonderful person that you
are.

To the Vaughn Family and the Barrett Family - I am so sorry for this
incredible loss. He was one of kind - a most wonderful guy. Please
know that I hold you all in my heart and stream love, support,
comfort and peace from our family to yours. Rest in Heaven dear
friend.

With Love,
