“ Dear Brown Family, I am so sorry for your loss please accept my sincere condolences at this time. Something that I personally have found to be a true source of comfort and encouragement is the promises held out in the Bible at John 5:28, 29 and also Revelation 21:4 in these verses we see that not only is God going to bring our loved ones back to life but he is going to eliminate the very causes of death along with its adverse effects on those who have lost loved ones. It is my sincere hope that these thoughts bring your family comfort at this time. Once again I am so sorry for your loss.
