

Richard Lyne Hall

October 5, 1943 - March 31, 2022

Richard Lyne Hall, a devoted and loving, husband, father, and grandfather, died on Thursday, March 31, 2022. Richard 78, of Charlotte, was born October 5, 1943, in Harvey, Illinois, the son of John and Mary Whalen. He tragically lost his father during WWII and at the age of 9 he lost his mother. Richard was later adopted by George and Lucille Hall. He spent a majority of his youth moving to different military bases around the world. Following graduating from high school Richard obtained an Associate's Degree and became a Funeral Director. While in California Richard met Jean Kilgore and in 1968 the couple got married. They would later move to Michigan to start their family. Richard decided that he wanted a career with a more flexible work schedule and decided to become a Nurse. He became a Neonatal ICU Nurse, and took great pride in knowing that he could make a difference in family's lives. Richard retired from nursing in 2005. Family was the biggest joy in Richard's life, he could be found on the sidelines coaching his sons' baseball and football teams. Later in life you could find Richard in the bleachers cheering on his grandchildren. He was their biggest fan and never missed a game. Richard also enjoyed camping trips around the state with Jean, and loved trips where the grandkids were able to join them.

Richard is survived by his wife of 53 years, Jean; sons, Rick (Annette) Hall Jr., Tim (Danielle) Hall; grandchildren, Morgan, Ethan, Emma, and Landon. He was predeceased by his biological parents; adopted mother; and brother,

Terry McElroy.

Friends are encouraged to support Richard's family by sharing memories on his Tribute Page at www.prayfuneral.com. The family is in the care of Pray Funeral Home, Charlotte.

“ I never had the pleasure of meeting Richard Sr. but I have known his son Rick for more years than I can remember, he is my Greatest Friend! Rick and I have had many Exciting and dangerous adventures. Through many shared camps, miles, and fires I have learned much about his family. What I do Know about Richard Sr. is that he raised his boys to be men of the highest caliber. Men that are honest and trust worthy, men you can trust with your life! He left this world in good hands.

My deepest condolences to all of you.

Jean, Mike and I were so sorry to hear about Richard's death. Know you and your family are in our thoughts and prayers. I feel fortunate to have known him- he always had a smile for 'his nurse'. But I know the love and devotion you gave to him is an an inspiration to all who knew you both. I know you'll miss all the together time camping, going to ball games. I pray you are given Peace in the time ahead without him.
