“ Rich,
I will always remember your having me teach you "Pictures of matchstick men" on my guitar. You live in my mind a beautiful soul. Go in peace my brother.

“ *I have wonderful memories of our Jr and Sr High School times together. Times at the house talking. My favorite memory was of you stopping at the house and upon finding me out on date visited with my Mom and then talked her into a ride your Harley Davidson Hardtail. When I got home she was grinning ear to ear. You made her a great memory.*
You were always kind and thoughtful of others. You are someone I always thought of you as friend. See you on the other side, friend.
