

Richard Eugene Van Fossen II

April 11, 1948 - April 14, 2022

Richard "Rick" Eugene Van Fossen, II, a man who strived to make something he was proud of, died April 14, 2022. Rick, 74, of Eaton Rapids, formerly of Potterville was born April 11, 1948 in Flint to Richard and Evelyn (Petherbridge) Van Fossen, Sr. Rick was a proud father who supported his children in whatever goals they set for themselves and whenever they did something wrong, he would smile to himself as he thought "I did that once". He was a natural leader and teacher. Rick coached baseball, softball, basketball, and wrestling, and all of the kids he coached were "his kids". After he stopped coaching, he could be found in the stands cheering them on. Building a successful construction company of over 40 years was one of Rick's many talents. He couldn't have done it without Bill Bill and LeRoy, among others. People trusted him to do it right and he did! Rick was an outdoorsman. He loved being outdoors, hunting, fishing, and golfing were some of his favorite hobbies. You could catch him taking pot-shots at squirrels off the deck as his orange pellets were left standing everywhere. As a story teller people were drawn to him. He would fill their lives with jokes and an infectious laugh that you couldn't get enough of. Rick served his country as a Airborne Ranger in the Army, he was loving, always happy (well most of the time) and will be missed by many.

Rick is survived by his wife, Theresa; daughter, Jen (Chuck) Sesniak; son, Josh (Ashley) Van Fossen; grandchildren; Izzy Sesniak; Evan, Mason and

Roman Van Fossen; brother, Mike Van Fossen. He was predeceased by his parents, Richard (Dick) Evelyn (Petherbridge) Van Fossen, Sr.; sister, Diane Van Fossen Paine and niece, Kelly Van Fossen.

Friends and family are encouraged to support his family by sharing memories on his tribute page at www.prayfuneral.com Visitation will be Wednesday, April 20, 2022 1:00-2:00 pm. Funeral services are Wednesday, April 20, 2022 at 2:00 pm at Pray Funeral Home, Charlotte, MI. If desired, the family suggests memorial contributions to St. Jude Children's Research Hospital or American Cancer Society. The family is in the care of Pray Funeral Home, Charlotte, MI.

“ I was just thinking about Richard the other day. I was going thru Charlotte. I was in Army basic Training with Richard. He was a character. Never a dull moment. He called me many years ago to check if I got back from Nam ok. It is sad on my part that I never followed up with him.

“ Rick was a natural born story teller and listening to him was so much fun. The world seems a bit darker today without Rick. R.I.P. Rick and when you see Clark in heaven and decide to throw the football around, watch out for the horse trailer. Sending gentle hugs to Teresa, Jennifer, Josh and families

“ What a gentleman Rick was. There were a lot of stories over the years especially with the Heinzes right next door, but will share one story of this great guy. He cracked my little league team in 1979 or maybe 1980. I had a good arm and he had me pitching. Well apparently my head kept getting bigger as the year went on and there was some success. Or maybe just from Rick's coaching me up. Well we were having a practice and he asked a couple of kids to go out and play in right field. They started out that way. I asked them why they were going to what was actually left field. Coach said He asked them to go out to right field. In my ten year old brain, right field was the right hand side for the pitcher. I explained this to him. He didn't belittle me or chew me out. He just gave that kind good natured chuckle he had and said well alright then, let's just have them go play your left field then. I learned soon I was wrong but his kind approach left quite a mark. This was almost 42 years ago after all and I could paint the whole scene if asked. Just the best kind of athlete, sportsman, mentor, and human. Will be dearly missed by our community for sure.

“ *Rick was larger than life and knew how to live it. He will be missed by so many. We will never forget the advice he gave us years ago...."Where there is a will, there is a way to get it done." Awesome advice from a man who knew his business!! RIP Rick, if you can. Pretty sure God's House will be updated and fixed with Rick in it!!!!*

“ I’ve worked with Rick for most of his 40 year construction career. I consider Rick as a very close friend. One of my best memories is when Rick decided to compete in the BBQ competitions we were involved with. He was a very good chef (with Teresa’s help) but was not aware of all the rules and regulations of the KCBS BBQ society. We would always find him, behind the scene, asking for secrets and tips. Our team gave him the nickname “ The BBQ MOLE” and we had such a great time competing together. Rick didn’t win many events but he sure made every event much more fun. May The BBQ MOLE Rest In Peace. He will be greatly missed by many.

“ I officially met Rick 26 years ago when my husband, Bill, started working with him.
We quickly became part of his clan (like so many others).
Because Rick’s BBQ/smoking knowledge was over the top, he was often asked to cook for someone’s event. When Rick cooked for an event, that usually meant that I was volunteered to make the cheesy (wedding) potatoes. It got to where he didn’t even need to ask, if I knew Rick was cooking, I knew what my job was.
From time to time, I would show up at a jobsite to bring something that they just had to have (many times that was food). I can still hear him say, “hey there little mama” (which he said often when he saw me).
I loved listening to him tell his stories, or hum/sing while he worked. His booming voice and loud, infectious laugh made it easy to locate him anywhere in Menards.
Bill and I feel so blessed to be part of Rick and Theresa’s extended family.

My thoughts, prayers, and love is sent to you all! 🙏

“ I met Rick 28 years ago working for him at a factory in Lansing. Have worked with him numerous times since then. Truly one of the nicest, funniest, and kindest guys that I have ever met. I just wish he could have seen our kitchen that Bill and Leroy did for us recently. He would have been proud of the guys. RIP Rick, I will remember you forever, and smile every time I think of you

“ I am honored to call Rick my friend for the last 60 years. We played sports together at Potterville. We hunted together over the years. We were golf partners. We tested our barbabue skills many times. Rick was a mentor and second father to my son Trever. We damaged many a clay pigeon. We attended all sorts of Potterville sporting events every chance we had. Rick had a regular presence in the Potterville Community as well as Eaton County and surrounding communities. The laugh, the humor, the stories were endless. Everyone knew and loved Rick and he touched many lives for 74 years. You were the best friend anyone could ask for and you will be dearly missed. My heart goes out to the family and remember we love you all and will always be here for you. Rest in peace my dear friend.

“ Rick will be missed by everyone in the Potterville/Charlotte area because he seemed to know everyone. You always had to add extra time when you were going somewhere with Rick because he had to stop and talk with someone he knew (or didn't know). I will especially miss the stories he told about things he had done and seen even though I had heard them at least three times (the stories never varied so they must be true). Several times I have sat next to him in a golf cart while he is telling someone a story. I am nodding along with him like I had been there. He was the best friend a guy could have and it will take some time before I get used to the fact that he is not around.

“ In all the years of Rick and the gang doing work for us at rental homes and project houses, we did so much brainstorming together, shared frustrations, incredible cupcakes, and SO many laughs in the stupidity of so many situations! Just recently was the hardest laugh I've ever shared with Rick when one day, in the driveway freshly done by them, in an “upper crust neighborhood “, we noticed the neighbor was sweeping her entire back yard with a broom! It didn't stop until she did the whole yard! We both giggled until my sides absolutely hurt! Then he left. This was typical of working with him. Life was enjoyed and laughed at in the midst of whatever was happening! Hearing him hum and sing (give me some beef and beans tonight!) was always a joy too! We will miss him as a contractor, terribly, but even more as just such a dear friend! Our hearts are with you all! Lynn Turner

I'm so sorry to learn of Mr. VanFossen passing. I delivered the newspaper to his parents home as a child, & first met him then. Our paths crossed a few years ago as a visiting nurse, & we discussed his hunting exploits from his back porch!
