“ *In Loving memory of my precious mama. Thank you mom for dedicating your life to taking care of us girls. Making whatever sacrifices necessary to make sure we had whatever we needed and even whatever we wanted, if possible. You were always supportive of our choices, even when you could see disasters ahead that we never saw. Even in the end when you were on your death bed your focus was on us girls. Making sure we are going to be ok. Wanting reassurance that we would be there to take care of each other when you cannot. You have made me a better mom and I love you with OWL my heart. Rest in peace mama until I see you again. Love your baby girl, Eva*
