“ *Sorry to hear of the loss of Bob. Jodi was home last week, but we didn't hear about it until Thursday. She would have loved to have come. You are a special family. We think of you often. Our thoughts and prayers are with you all.*

“ *We are sorry to see that Bob has passed away, we just returned to Charlotte, Friday 10-9-09. So we did not get to attend the service or visitation. I was hunting in Wyoming and then stopped in South Dakota for Pheasants. I know that Bob would approve. I have known Bob as long as I can remember and will miss him. Gene*

“ *Dear Eric, I am so sorry to hear about your dad. I know he had been ill for quite some time but it is still a shock in so many ways to actually lose a parent. Dottie and Marvin and I read the obituary about your dad tonight in the paper and thought it was so well done, it actually gave me a little insight into your dad as a person. And what a handsome man! Kudos to the person who selected the photo that shows your dad as the vibrant man he must have been. I am sorry I will be unable to attend the visitation or the funeral. I am flying back to Los Angeles tomorrow morning but I will be thinking about you and Tracy. My dad also sends his condolences. With love, Nancy Theroux*

“ *Much love and sympathy to Uncle Bob's wonderful family. He brought such joy to everyone he knew, and we will certainly miss our summer visits with him. He loved you all and often said he had the "best family in the world!" I agree. Every time we smell a flower, we'll think of him.... Marda and Bill*
