“ Robyn, I was so shocked to see Bob's picture in the paper today. It brought back so many memories of when I lived at Aunt Shirleys and went to Potterville school. That seems like so long ago but then again, just like yesterday. I'm so sorry for you and your family's loss and I know how much you loved Bob and stuck by him through good and bad. You are such a sweet lady and always have been. I hope that time will heal you and your family. I know you have lots of happy memories to focus on and know that you were blessed to have him by your side for as long as you did. Call or write whenever you feel like it. My phone number is 517-575-9070. I'd love to see you and have dinner sometime. I'm going to be a grandma in January so I'm excited about that. Maybe you have some good grandma tips to share. You have alot to give to everyone around you so don't ever forget that. With love and sadness in my heart, Tracy

“ Dear Robyn and family: I am so sorry to hear about the loss of Bob. I remember him as a free spirit - and one that knew how to instantly make anyone around him feel so comfortable. Bob wasn't about status or image; rather about friends and family. My thoughts & prayers are with you during this time of grief. As each moment, hour, and day passes, may your memories be filled with joy, laughter, and peace.

“ I am so very sorry about Bob's unexpected death. I know what a terrible shock it must be; I still can't believe it myself. Bob was such an amazing man who touched the lives of many. Everyone who knew him will miss him. He was such a good friend to me. I remember the many times we spent together as teenagers and how every time we reconnected as adults, it seemed as if no time had passed at all. Bob reminded me so much of my Dad. Both were fun-loving free spirits who always gave of themselves without hesitation, even when they knew that there was no benefit to them in doing so. Beneath Bob's sometimes gruff exterior, he was a gentle and loving man -- a real gentleman. I will never forget him. Sending you and your family lots of love and light during this difficult time.
