“ To everyone who spoke at Roberts funeral today: I am Roberts cousin from Illinois. I didn't know Robert as an adult - when we were kids we would hang out but as we grow older we took different roads. I know Robert struggled quite a bit as he grew older. However, when you all spoke of him it reminded me of how I remember him when he was younger. His infectious smile, his big heart and his sense of humor. It's wonderful to know Robert found himself again, he found God and he found all of you. More importantly I very much enjoyed you sharing how Robert made a difference in your life. How he calmed you, encourage you and gave you hope. Sharing those stories with us today meant so much to me. Even though he's not physically here with us anymore I know he lives in each of our hearts forever.

“ We never had the honor of meeting Robert. We were certainly impressed though with the way that God moved him into Danielle's life. Losing a loved one is one of the most difficult things to go through. Please know Danielle that we are lifting you and your family up in prayer. It is hard for us to know why God chose to take him home. You are loved honey and we are sending you huge hugs...Aunt Karen & Uncle Jerry

“ I am so sorry for your loss. He was such a kind man with an outrageous senses of humor. He made me feel like I was part of the teen challenge family, not just as one who hasn't family there. He will be greatly missed at the center.
