“ I have been friends with Keven,(The 2nd oldest kid) about 20 years or so. I have been around Pa and the gang a lot throughout the years. I remember lots of fun times at the barn and house with Pa and Ma. It was always fun him calling me names and in return I would call him names, something we did everytime we saw each other. I could always count on him If I ever needed his help with anything especially if it were concerning anything FORD! The barn had a lift and he had every tool anyone could ever need. He would always let me use anything in his tool box. Kevin and I installed the lift kit on my truck in the barn and he was there most of the time calling both of us a couple of Dumba#### like he always did. It seemed he really changed a lot after Ma passed and never really acted the same . I can honestly say if I ever needed him for anything he would always be more than willing to help. I learned a lot from him and will miss him a lot. If you drove a Ford he was your buddy.....Rest In Peace Pa, were all gonna miss ya

“ Kevin, Mike & Lori, We are sorry to hear about the loss of your dad. We have many great memories of camping with your mom and dad at the St Ignace car shows. We had lots of fun times hanging out, partying, and going to their chili cookoffs. The hayride was another one of those fun times with Bob driving the tractor around back roads. He will be missed.

“ We are sorry to hear of your Dad's passing. We always had fun with your folks on our Motorcycle trips. We probably did some goofy rides, but in the end we had some pretty good trips. Sure do miss the fun, but most of all miss your folks. Thank you Diane & Bob for the good times. Ken & Phyllis Christie
