“ My husband Royce and I are so very sorry for your loss. Both of his parents passed away very close to each other this past year too, and we know how much you must be missing them. We have made a donation in their honor to the Charlotte, Michigan Relay for Life Campaign and are remembering you and our beloved Shilo in our prayers. May you feel the love and comfort of God at this difficult time.

I AM STILL WITH YOU

*If it seems that I am far away
on this empty and solemn day.*

*Just open your heart and know it's true
that I am still right here with you.*

*If during the day things are going wrong
please don't feel sad and alone.*

*Just open your heart and know it's true
that I am still right here with you.*

*When night time falls and the day is done
If you are feeling alone and sleep won't come
Just open your heart and know it's true
that I am still right here with you.*

*Close your eyes, and feel the warm embrace
Sleep peacefully in the wings of grace*

*If sadness finds you in the morning light
if you feel alone, don't give up trying*

*Hold this feather close and know it's true
that I am always here with you.*

“ My first memories of Roger and Yvonne are of a car covered with stickers from all over the US, and all the KIDS! It was great having more kids in our congregation, and sleepovers with all the girls. When my daughter came along, they had a little goodie bag for her every time they saw her with treats that were appropriate for her age, so she will have nice memories, too. I think Roger became a kid again himself when he was with her. They always seemed glad to see our family and gave lots of encouraging words when times were rough. They will be missed.
