“ *I was 15 I think when I met Ronnie at a Williams family Christmas party. We sat next to each other, didn't know many people. We laughed and joked. He had the best laugh that reached right up to those beautiful eyes. Ronnie treated me just like one of his boys. First time I rode on a tractor was with Ron and Jeff. Lots of fun! Hauled wood, worked gardens with Greg and Doug. My best memory, the one that still makes me laugh when I think of it was playing cards at the house with Ron and Sharon. Ron got up from the table and we all thought he was going to the bathroom. We kept waiting and finally I went to look for him and he was in bed sleeping. No goodbyes no goodnights just went to bed. He will be missed here but I bet he's enjoying his time with Jeff. Sharon, Greg, Doug and families...I am so sorry for your loss. I know we don't see each other but I love you all very much. Love, Aunt Pat*

“ Our condolences go out to the entire McCrimmon family for the loss of a great father, mentor and hunting buddy. Captain you will be missed but not forgotten I know you will be with us each and every time we step into the woods. You raised a couple great sons that I have the pleasure to call my friends. I hope to find those special camo cans this fall so we can raise a toast to you as the season begins. With love Ken Tricia and family.

“ I am sorry for all of the McCrimmon family. You have raised two great son's and married a wonderful wife. I am sure you will be looking out for us during the whitetail season. I will always remember the stories your boys have shared with me throughout the years. One in particular, You showed the boys how to gut a deer in world record time!!! I will just end it there. Long live the Captain!!!!

“Wow, what can I say. You are truly going to be missed captain. So many memories throughout the years. Thank you for being a big part in my life. You may be gone, but the memories will always last forever. The best memory is when Doug, me and you went to bass lake for the weekend. All we did was fish, fish, and fish. Not for the fish fillets, but for fertilizer for the garden. Lol. But I tell you what, that man could grow a garden like no other. Thanks for the memories and I'll see you again some day. Gonna miss you Captain.
