

Rosario "Rosy" Debler

December 7, 1963 - February 20, 2022

Rosario "Rosy" Debler, a woman who devoted her life to the Lord, died Sunday, February 20, 2022. Rosy, 58, of Charlotte was born December 7, 1963, in Charlotte, MI, the daughter of Eustaquio "Rod" and Bertha (Bosquez) Rodriguez. Rosy was very artistic; this was a god given talent of hers. She did take some art classes but most of her abilities she was born with. Rosy could be found at craft shows around the area selling her work. She was known for her piñatas. In the later years Rosy developed Macular Degeneration causing her to be legally blind. This however didn't stop Rosy from continuing to do her artwork. In her early years Rosy enjoyed dancing with Valli Halbeisen Dance Studio and performing in Traditional Mexican Dances around the area. Early in life Rosy was a devoted member of the St. Mary Catholic Church and in her later years she was a member of New Hope Community Church in Charlotte. Above all her biggest joy in life was her family, especially her nieces and nephews.

Rosy is survived by her beloved cat, Clara Jane; siblings, Joe Rodriguez, Ricardo (Darlene) Rodriguez, Linda Fox, Delia McGregor, Alicia Rodriguez-Wilcox; nieces and nephews, Gabriel Fox, Veronica (Mark) Neal, Stephanie (Josh) Dorey, Martin (Kendra) Rodriguez, Brianna (Cody) Wolgamott, William Rodriguez, Kegan McGregor, Mike (Laura) Lovell; great-nieces and nephews, Kendall Dorey, Ashton Dorey, Carson Wolgamott, Jayden Lovell, Aubrianna Lovell; special friends, Esther McKeever, and Becky Brooks. She was

predeceased by her parents; significant other, Ken Debler; brother-in-law, Steve Fox; sister-in-law, Patricia Rodriguez.

Friends are encouraged to support Rosy's family by attending services or sharing memories on her Tribute Page at www.prayfuneral.com. A Memorial Service will be held on Friday, March 4, 2022, at 11:00 a.m. at Pray Funeral Home with Laura Cooper officiating. “ Rosy you are loved & missed by so many friends & family. You were such a blessing to all of us. I will miss our talks, our get togethers, you trying to teach me how to make things that you were so talented in doing, and especially your prayers, you always knew what to say. We miss you terribly but know you're with Your Jesus, all healed, no more pain! Knowing that we will be reunited one day helps us . Until then, I'm sure you'll be busy asking Jesus if you can decorate your mansion in Pink & Glitter! Lol until we meet again Dear Friend. Love- Mollie

“ Charito, I was so devastated to learn of your passing. You were such a gentle and sweet soul and would always greet me with a smile when we saw each other. You were one of the most Real person I have ever known. A true example of the best qualities a person could have, a true testament of love and caring your parents instilled in you. I will always remember you as the caring person who sent me a message when I lost my sister, one of the few who reached out to me. I am glad we celebrated my big 50 birthday together.

Rest In Peace my friend. I find comfort in knowing you are rejoicing with your parents and the ancestors that went before you. Please give my sister a hug and kiss for me. I will see you again.

“ Rest in peace my dear friend Rosy.
I think we've known of each other for most of our lives, as our families grew up with each other, but the 2 of us formed a close friendship just a few short years ago. We somehow bonded with our artistic abilities. I enjoyed stopping by, often unannounced, on my way into town past your house to see if you wanted/needed anything from town, whether it be painting supplies from Walmart or a diet coke from McDonald's. Then we would sit & visit, share our latest creations and inspire each other. More often than not, a 30 minute visit turned into a 2 hour visit. You would say "I'm sorry, don't mind the mess" and I would say "girl, don't worry about it! I came to see YOU!....and besides, it's not a mess...it's a work in progress!" You were so very talented and I loved being able to share in your work, seeing the before, the during and the final product. I will never forget the cookie monster pinata that you made and the laughter and joy our family had that day. You will be greatly missed. Love you, girl! 😘

“ Oh, how I remember the days when we were in Middle/High School, Band, art, and friends. Then you would walk two blocks and I would walk two blocks, meet in the middle, and walk back to your house. Mom would be cooking in the kitchen and dad playing his guitar in the music room. We would laugh and talk most of the night about nothing truly important but memories were made and cherished all the same.

Love you, until we meet again, I'll keep your memories alive in stories and pictures. Tina
