“ *Brad and family*

*So sorry to hear of your loss. We are well aware of what you all are going through having been through this ourselves throughout this year. Our thoughts and prayers are with you all during this sorrowful time. May the healing hand of God touch each of your hearts in the days and weeks ahead as each of you come to terms with this loss.*

*I believe I only met your mother one time many, many years ago. I seem to remember a birthday party for Brad back when you all lived on Wheaton Road. I don't believe we were any older than 10 or 12yrs old at the time so we are going back to the late 60's or so.*

*We are in town right now but we probably won't be able to make the funeral. We will try to make one of the visitations on Nov 1. Take care and hang in there all of you!!*
