“ I met Mrs. Wineman in January 1998. She was concerned about my background. I assured her, everything was fine. She gave me a chance, i will forever be grateful to her and the other teachers for helping me achieve graduation

“ Ruth was a truly great lady who never gave up on anyone. What a blessing it was to have her as a boss, mentor, and friend. She not only taught me how to be a better teacher but a better person. What a privilege it was to have her in my life.

“ Ruth was principal and hired me and mentored me in very gentle ways. She kept her cool when steam was rising from my head from “those kids” some days. Her sense of humor helped me start laughing at the silliness of the current situation. A great lady and friend

“ Ruth was a mentor when I was a fairly new teacher. While seventh graders mostly terrified (and terrorized) me, Ruth was always loving and calm with them. They adored her and so did I. She was tender with me after I lost my husband. You will be missed, Ruth. Rest in peace.

“ Ruth was my “boss” for many years. However when I think of words to describe her “boss” isn’t really one of them. Amazing mentor, loyal friend, compassionate leader who deeply cared for her staff. She believed everyone had something to offer and helped both staff and students discover their strengths. I am better person for knowing and working with her. RIP Ruth. You will be missed.

“ Ruth Wineman was the most caring individual I have ever known. Along with the entire staff at St. Johns adult ed. She never gave up on any of her kids. Was a true role model of how a teacher should be. She had a strong belief in kids that other teachers just didn't want to take the time for. She was encouraging to the parents of the kids as well. You are an amazing woman. You will be missed.

“ Loved Mrs Wine man!! I graduated from Adult Ed in 1991 in St Johns. I was also very pregnant!! I was having Braxton Hicks contractions the day of graduation, she told me I was gonna get that diploma before I got that baby, even if she had to wheel me across the stage on a gurney!!! I graduated June 3 and the baby was born June 14!!! She was an amazing woman!!! RIP Mrs Wineman

“ Ruthie was a very special person who cared deeply for those around her. She has always been Aunt Ruthie to my kids. We shared a lot of ideas around Mariann's kitchen island! From campaign ideas when she was running for Mayor to naming puppies!

She has been a part of our lives and we have shared many things together! Fishing, Horseback riding, (Ruth didn't like the horses but always came to watch the girls) canoeing and boating around the lake.

Mayor Ruth officiated my oldest daughters wedding. She has always been a member of the family.

Forever in our hearts you will be Ruth!

“ *Ruth was an amazing woman! She taught me so many things in my years as her secretary. She was an amazing boss! She was led by example. It was a tough job but she put her all into it. The students knew that she was in their corner when it seemed no one else cared. The world was a better place because of her. We have lost an awesome person.*

“ As most of these memories have stated, she truly has changed the direction of so many lives. Including my own. There isn't enough gratitude to express what she has done for many of us. To say she was just a principal or a teacher, isn't enough. She educated all of us on the possibilities of life and the importance of good choices that will play a role for as long as we live. It will also play a role on how we now teach our own children.

*She truly believed in us when many didn't.  
Her gift to us was priceless, and I will forever remember her name and presence.*

“ This is one of the people who hear about that comes along and makes a difference in your life and believes in you when nobody else does. She always rooted for The underdogs and never gave up on us. You were a true inspiration to some money ❤️

“ The best teacher/principal I've ever known. She helped me straighten my life out as a messed up child/teenager, and helped me make it 6th through 12th grade. She's the reason I graduated high school. She made a difference in this world and helped so many kids 🙏 She will be missed.
