“ *Sally was my best friend from grade school throughout life. I loved being able to have overnights at her home in town and she loved overnights at my home in the country. Most of all she loved having bon fires and roasting hotdogs and marshmallows, climbing trees and riding our big work horses.*

Throughout life she loved sharing everything she had with others. Her home (Annie always shared her bedroom with me) her place at Lake Michigan, her time shares, and her wonderful family. I will always keep Sally and her family close to my heart. I will see you again sweet friend! Jan Gearhart

“ *Fondly remembering Sally Crouter, a caring friend who lived life to the fullest. With her energy, enthusiasm and creativity she could make so many situations very special. Sally's family must be well aware of this and in the love and pride she had for all of you. I have missed her already. By the way, Sally gave me the best haircuts I ever had! Wishing I could be with you at this time. Please know you are in my thoughts and prayers. Sending love, Jeannie Elmer*

“ *Sally was always ready for a good time. She was especially good with my 4 grandchildren and often would make smorores in her chimenea and would talk and laugh with them for hours. When the youngest grandchild Aubrey was learning to talk, she called Sally "salad" and the name stuck for quite awhile. Cheers to Sally and she's in a good place now. Kay and Boggs family*

“ Sally’s warm beautiful smile, her flamboyant sense of style, and “wonderful” outlook on life will be fondly remembered always. She was a special human and a true blessing to her friends and family. And I just know she is still shining her love brightly from beyond. ❤️

“ Sally was my sister-in-law and I loved her dearly. Our kids are roughly the same age and mine always looked forward to going to their house - partly to see their cousins but also because Sal was so nice to them. She baked good things and always made them feel special and welcome. We both enjoyed having a glass of wine and hanging out with each other whenever we had a chance. She was fun to be with over the course of a lifetime. I'm sad that she's gone - I will miss her.
